

Trimpe Middle School BAND

Practicing is so important. The TMS Instrumental Music Department is recommending SmartMusic, a very efficient and enjoyable way to practice. Its assessment and grade-reporting features provide valuable feedback to parents and students. Students can now use SmartMusic at home!

With SmartMusic at home, students have the tools and accompaniments they need to get better on their own:

- SmartMusic Online Grading System allows students, parents, and teachers to easily track student progress.
- SmartMusic connects the student with the teacher. Teacher receives graded assignments, students receive teacher feedback.
- Parents can review student recordings and scoring information 24/7 at www.Gradebook.Smartmusic.com.
- Access to assignments of concert music, exercises provided by your music teacher for practice and assessment.
- Built-in Tuner and Metronome keep students in tune with a steady beat.
- Students may control the tempo to match their ability level.
- Recording encourages students to analyze their performances.
- New On-Screen exercises, solos, and jazz features with a choice of accompaniments.
- Beginning band students learn with colorful assessment graphics and contains the complete band book.
- Over 50,000 accompaniments that make practicing at home fun for instrumentalists and vocalists!

The SmartMusic Home Subscription price is only \$40 a year! **A single subscription entitles you to enjoy SmartMusic on an unlimited number of devices!** For multiple-sibling families, each child needs his own SmartMusic Subscription.
